IMPORTANT OSHC ADMIN THIS WEEK

- ⇒ **We would love your family feedback** — please fill in the attached feedback form attached to the email - anything that you think we can improve on, ideas for activities & experiences, or how we do things...
- ⇒ **Term 1 OSHC bookings will carry over into term 2** and be charged for— unless you give two weeks notice of changes to bookings/cancellations in writing.
- ⇒ **Changes to the Child Care Subsidy;** There are changes to the way the childcare subsidy is worked out from July 2023 see pg 2— you will be eligible for more subsidy. However, you must update your family income and confirm what you earned for 2021-2022 and 2020-2021 to avoid losing your childcare subsidy or incurring a debt. Families should go to the [Services Australia website](#).
- ⇒ **Signing your Child out of Care on the Kiosk IPAD:** All authorized persons picking up the children (parents and others) must all be 18 yrs and over. Do not give your child your PIN as they could sign themselves out at any time, and this would be a breach of safety.
Please do not let your child sign themselves out — as this is a breach of safety.
- ⇒ We will be continuing our **Child Safety & Wellbeing program** in OSHC working towards helping children to become *Child Safe Champions*; through activities & experiences to learn about their rights and best practice as related to Child Safety & wellbeing, including: definitions, understanding emotions, safety networks, dimensions of health, using correct language to express themselves and their needs, respecting each other, their voices and bodies.
- ⇒ **OSHC Policy Update;** We are currently in the process of updating the following OSHC policies and would like your feedback — please email me to request any of the following policies:

Childcare Subsidy rates for second and younger children from July 2023

Child Care Subsidy (CCS) is changing. From July 2023 most families using child care will get more CCS.

Families earning below \$362,408 with more than one child aged 5 or under in care can still get a higher rate for their second and younger children when the changes occur on 10 July.

The higher rate for second and younger children will end when a family earns \$362,408 or more. All children will then receive the standard CCS rate.

Standard CCS rates

- The income limit for standard CCS rates is increasing to \$530,000.
- Families earning over \$80,000 and under \$530,000 will get a subsidy that tapers down from 90%, depending on their income. The subsidy will go down 1% for each \$5,000 earned.
- Families earning \$80,000 or less will get 90% subsidy.
- Families should keep their income estimate up to date.
- Keep an eye on our channels for more information and resources in the lead up to July

Families can now use the Child Care Subsidy (CCS) Calculator at StartingBlocks.gov.au to see what their subsidy rates may be from 10 July.

Most families will get more subsidy. Some families previously not eligible will be able to get it.

Make sure your families understand what the changes mean for them. Do this by:

CCS: balancing deadlines approaching

Families must confirm what they earned in 2021–22 and 2020–21 by 30 June to avoid losing CCS or incurring a debt.

At the end of each financial year, Services Australia compares a family's income estimate with their actual income to check they got the right amount of CCS. This process is called balancing.

Families need to confirm their income for balancing to occur. There are deadlines for families to do this.

Next deadlines:

The end of financial year marks two important deadlines for families:

- first deadline for confirming 2021–22 income
- second deadline for confirming 2020–21 income.

If a family misses the first deadline, their CCS will stop.

If a family misses the second deadline, they will lose their CCS eligibility and may have to repay any CCS they got for that financial year.
