

# VOLUNTEERS POLICY

## BRUNSWICK EAST PRIMARY SCHOOL

### PURPOSE

To outline the processes that Brunswick East Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

### SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

### DEFINITIONS

*Child-related work:* work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

*Closely related family member:* parent, carer, parent/carer's spouse or domestic partner, step-parent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

*Volunteer worker:* A volunteer school worker is a person who voluntarily engages in schoolwork or approved community work without payment or reward.

*School work:* School work means:

- Carrying out the functions of a School Council
- Any activity carried out for the welfare of a school, by the School Council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the Principal or School Council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition, and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (i.e. indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

### POLICY

Brunswick East Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. We acknowledge the important part volunteering plays in the enrichment and development of our school community.

The procedures set out below are designed to ensure that Brunswick East Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

### ***Becoming a volunteer -***

Members of the community who would like to volunteer are encouraged to contact the school to offer their services. At times, the school will ask for volunteers for specific events through Learning Community emails, the school newsletter and a variety of electronic platforms.

### ***Working with children -***

Brunswick East Primary School values the many volunteers that assist our school community e.g. [in our classrooms/with sports events/camps/excursions/school concerts/other events and programs]. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Brunswick East Primary School is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Brunswick East Primary School is a child safe environment, we require volunteers to obtain a WWC Check and produce their valid card and drivers licence or another proof of identity to the Business Manager for verification in the following circumstances:

- **Volunteers who are *not* parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions, including swimming, and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.

### ***Non child-related work -***

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related e.g. volunteering on the weekend for gardening, maintenance, working bees, School Council, participating in sub-committees of School Council, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

At Brunswick East Primary School, volunteers for this type of work will be required to provide a valid WWC Check and proof of identity.

### *Management and supervision -*

Volunteer workers will be expected to comply with any reasonable direction of the Principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our, Child Safety Policy / Statement of Commitment to Child Safety, Child Safety Code of Conduct, Volunteer Occupational Health and Safety (OHS) Induction Handbook, and our School Philosophy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The Principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Brunswick East Primary School.

Brunswick East Primary School will provide any appropriate induction and/or training for all volunteer workers. The Principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Brunswick East Primary School's child safety practices, including reporting obligations and procedures. Our school has a Child Safety Reporting Obligations Policy which all staff and volunteers should be aware of.

The Principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

### *Compensation -*

Personal injury:

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury while engaging in schoolwork.

Property damage:

If a volunteer worker suffers damage to their property in the course of carrying out schoolwork, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the Principal who will direct them to the Department's Legal Division.

Public liability insurance:

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in schoolwork is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.
