

YARD DUTY AND SUPERVISION POLICY

Brunswick East Primary School

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at, Brunswick East Primary School including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

POLICY

Before and after school

Brunswick East Primary School's grounds are supervised by school staff from 8.45 until 9.00 and from 3.30 till 3.45. Outside of these hours, school staff will not be available to supervise students and parents/carers are responsible for the care of their children.

If a student arrives at school before supervision commences at the beginning of the day without an adult the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available)
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

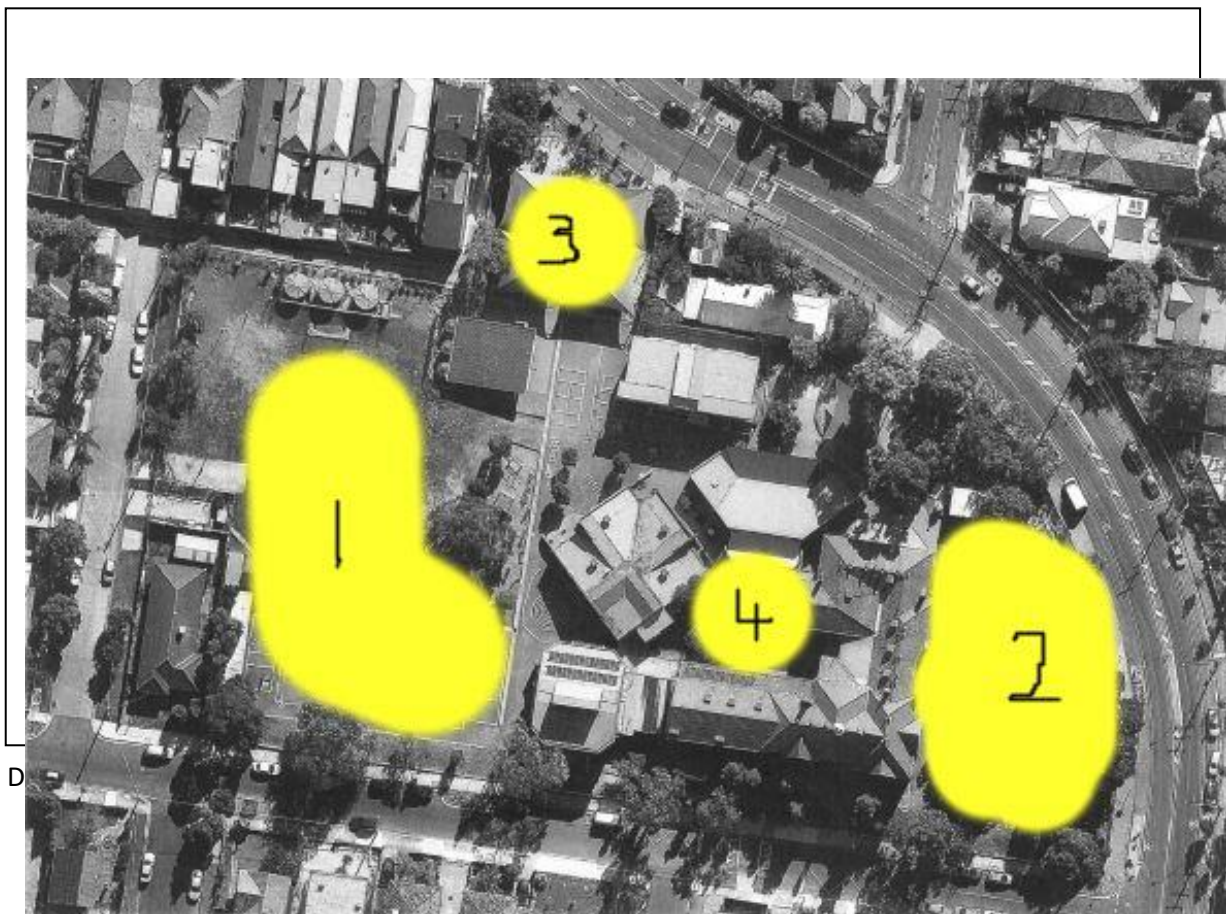

Yard duty

All staff at Brunswick East Primary are expected to complete yard duty supervision and will be included in the weekly roster.

The assistant principal is responsible for preparing and communicating the yard duty roster on a regular basis. School staff will be designated a specific yard duty area to supervise.

Designated yard duty areas

Zone	Area
Zone 1	Oval
Zone 2	Nicholson Street
Zone 3	Colourfuls
Zone 4	Agora

Hi-vis vests and the yard duty folders are stored in the first aid room.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone, to ensure that all areas are supervised
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures, Restorative Practice.
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office/ Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class time.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact front office/ leadership team for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

Whilst each case regarding supervision done by a teacher will be judged on the circumstances that occurred at the time, the following common examples may be times when a teacher has failed to meet their legal duty of care responsibilities to their students:-

- arriving late to scheduled timetabled yard duty and first aid responsibilities
- failing to act appropriately to protect a student who claims to be bullied
- believing that a child is being abused but failing to report the matter appropriately
- being late to supervise the students after the bell has sounded
- leaving students unattended in the classroom
- failing to instruct a student who is not wearing a hat to report to the staffroom

- ignoring dangerous play
- leaving the school during time release without approval
- inadequate supervision on a school excursion

School activities, camps and excursions

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
