Message from the Principal

Dear BEPS families,

Today there is not much else I can say except for WOW!

What a spectacular show The Android Academy was. The hours, days, weeks and months of hard work that went into the creation of such a wonderful performance, cannot truly be measured.

There are so many people to thank. Firstly, to Sarah and Andrew. Your effort, energy and excitement for this show ensured everyone came along the journey and made it so special. To have a unique play that was such a great representation of what makes BEPS such a great place to be is a credit to you both. I know that many many students have just created wonderful core memories.

To the rest of the BEPS staff who helped with song writing, costume making, running their classes through their dance or role and general support of the production, a huge thank you goes out to you for making sure the show was such a great success.

To the parents and community who organised and made costumes, did a stunning job of the tees and jumpers, helped backstage and just generally supported our school production, it could not have happened without your support.

I was so proud to stand up at each performance and welcome our community. Make sure you rest up over the weekend and please enjoy the photos on the following pages to reminisce over.

Cheers, Erin

Gathering Dates

**Whole school Production
Celebration Gathering
Friday 16th August**

Market Dates (Fortnightly)

**16th August – Bicicletta Market
30th August – Grade 6 Graduation
Market

Cultural Week and Book Week will be celebrated from the 19th August

Students will be participating in an Author visit, Cultural infusion incursion, gelati eating and concluding with a dress up parade on Friday 23rd. Please see your child's learning community newsletter for more information.

OSHC NEWS

Hello everyone- we hope you've all had a nice start to term 3!

We are SO excited to share with you, that in partnership with the school, our Reconciliation Action Plan has been approved and endorsed by Narragunnawali! This has been a HUGE project and has been in the works for a long time! We want to extend our thanks to our RAP Committee members for their hard work, as well as the broad school community- for doing Acknowledge of Country in classrooms, for contributing to our fabulous RAP Market earlier in the year, for wearing and displaying your values in classrooms and on clothes, for creating safe and inclusive spaces, for educating one another, and so much more! We aim to continue to foster, embed and learn more about First Nations cultures, histories and contributions into the school and OSHC environment, as well as the greater local community.

At OSHC, we've had a terrific start to the term- so many fun activities! See left for some pictures- including, lots of Olympics-inspired activities for children to participate in!

Have a lovely week everyone! Chookas to all students for Android Academy! 😊
