

Australia's most loved parent App allows you to quickly and easily schedule in and manage your child's casual bookings.

Download your free My Family Lounge App – Your essential parent tool

Over 100,000 Families use My Family Lounge – Appreciated by child care services, loved by families!

How convenient is My Family Lounge APP?

- 📧 Have an emergency? Need to pick up a casual day of child care? Easily book casual days anytime for your child
- 🤖 Quickly advise your child will be absent via the App in a few taps
- 📅 Report absences for permanent days in advance when on holidays
- 📱 Be notified when casual days open so you can snatch them up whenever needed

Be assured that your casual bookings made via the APP will give you peace of mind knowing your child has been booked in at your child care service successfully!

As long as your child is enrolled at our service you will be able to use this convenient App with absolute ease

Accessing the APP

Now that our service has subscribed to the My Family Lounge for Casual Bookings service you will soon be emailed your own unique log in. These details will stay with you for life and will travel with you as your child moves services.

Signing in for the First time

When making a casual booking, you will be able to view the T & C's regarding the rules of booking and cancelling casual days. The My Family Lounge App provides you with a record of days permanently booked in for your child and displays the casual days booked in advance for easy use. You can also conveniently record any absent days at the touch of a button!
