

Enrolment & Re-enrolment & Orientation of Children Policy

Policy Statement & Commitments

Brunswick East Primary School Outside School Hours Care Service (the Service) supports equal opportunity principles and considers that where possible it has an obligation to promote equal access to BEPS OSHC Service.

The Enrolment and Re-enrolment process is fair, equitable and transparent. The enrolment process takes into account all requirements of the *Education and Care Services National Regulations*, and the guidelines contained within the *Australian Government Child Care Service Handbook*.

BEPS OSHC Service will understand the importance of an orientation process that provides clear guidelines to families to help families and children to settle BEPS OSHC Service successfully. The orientation process is a time for educators to share information with families about how BEPS OSHC Service operates, and how the child is settling. It is also a time for families to share information about the child and their expectations of BEPS OSHC Service and the educators.

BEPS OSHC Service is committed to:

- Providing clear and consistent information to families who are enrolling their child into the BEPS Out of School Hours Care Service for the first time and in consecutive years
- Providing children with support and comfort to settle into BEPS OSHC Service and establish new friendships and relationships, and advocacy for children's wellbeing and protection
- Providing educators with clearly explained enrolment process; time to get to know families before children start full time care
- Orientation process and strategies to support families in introducing children to BEPS OSHC Service; time to develop close professional relationships with families
- Providing support from referral agencies; and information about custodial issues.
- Providing the School Council, through the OSHC Management Sub-Committee with assurance that there is a transparent enrolment process for all families, and the ability to obtain an equal

balance between management practices and individual rights.

Principles

- All children attending the OSHC Service must be enrolled at Brunswick East Primary School.
- Families are required to fill in an online Enrolment form which will need to be updated each year or when details change. Completion of enrolment forms is a requirement of the *Education and Care Services National Regulations and Law (2011)*. A printed and signed copy will need to be provided to the OSHC service by the family prior to starting care.
- It is the responsibility of the Families to keep enrolment information up to date throughout the year, including email and authorized contact details.
- Families must sign to acknowledge that they have read and agree to abide by the OSHC Service policies and procedures which are available on the website or at the service.
- If Families take a leave period and wish to retain their place, they must continue to pay for their place, unless the place can be re-sold casually. If they do not wish to pay to ensure their place, they will lose the place at the service and be placed on the waiting list.
- Families making cancellations or absences for medical reasons must provide a medical certificate, and will count towards the 42 allowable absences per financial year (Child Care Subsidy is paid for 42 allowable absences). Cancellations under the 42 allowable absences will still be charged the daily rate plus Child Care Subsidy, if applicable. Cancellations above 42 absences will attract full fee payment.
- If families take leave/absence from care for longer than 8 weeks, the childcare subsidy will be ceased by Centrelink. Families will have to re-apply for their childcare subsidy eligibility status.
- Families who receive the Child Care Subsidy will be required to attend on their final day booked or full fees will apply for all end of care absences (cessation) up to their end date.
- Families wishing to withdraw from the Service and cancel permanent bookings will need to give two weeks' notice in writing. Note the previous point re; cessation of care.
- Transition - Often when children start Prep they need some time to settle in. BEPS OSHC strongly encourages orientation with children prior to the official start date. Payment starts when regular days start. BEPS often run an early finish or short week for preps in Term 1. For example, there are no charges on Wednesdays for term 1, if there are no Prep classes on Wednesday.

- Families will lose the \$100.00 deposit if days are reduced or enrolment is withdrawn after the days have been confirmed.
- Families with outstanding fees cannot enrol for the following year, until fees are paid, and may have current bookings suspended until payment is received.

----------	----------------	--------------	----------------

Procedures for the Exclusion of Children & Families

Exclusion of children from BEPS OSHC Service due to behaviour issues will only occur after all other avenues of communication and support have been exhausted and when professional advice confirms a child is in psychological danger as a result of an unusually prolonged inability to settle into care away from the parent/guardian, or a child puts the majority of children at risk through inappropriate behaviour. (See also Behaviour Guidance Policy).

For exclusion due to non-immunisation and infectious diseases refer to BEPS OSHC Service’s Health, Hygiene and Infection Control Policy.

Subject to equal opportunity legislation, BEPS OSHC Service reserves the right to exclude a child from the OSHC Service for any reason connected to the welfare of the child and the welfare of educators and other children or families who use BEPS OSHC Service.

Children who are not enrolled at in BEPS OSHC Service must only be present on a temporary basis, such as delivery and collection of siblings, and must remain under the direct supervision of their parent/guardian/responsible adult.

Procedures for accepting referrals

Referral agency officers will be required to provide verifiable identification before being admitted to BEPS OSHC Service

The OSHC Coordinator will determine a threshold to the number of children with special needs that BEPS OSHC Service is able to appropriately care for.

Where it is determined that BEPS OSHC Service cannot accept a referred child, the referring agency will be advised to contact the Australian Government Department of Education **Child Care Access Hotline** by phoning 1800 670 305 to seek alternative education and care providers.

Acceptance of a referral will be dependent upon:

- BEPS OSHC Service having the required resources to appropriately care for the children;
- Completion of a Referral Form and supporting documentation; A visit from the referring agency (case manager) to provide information about the referral; clarify any special conditions of enrolment; provide necessary details about the child(ren)’s care arrangements including foster care details; and determine a suitable orientation process (child to the OSHC Service, and educators to children’s needs).
- Reaching agreement in regard to the cost for providing care and any special requirements e.g. transport, clothing, food etc.;
- subsequent enrolment according to BEPS OSHC Service’s usual enrolment procedure

Approved	September 2019	Review date:	September 2020
----------	----------------	--------------	----------------

- Ensuring that the child/ren are entered into the Child Care Subsidy System and an application for *Additional Childcare* has been put into place if necessary before care commences;
- Agreement to a debriefing from the case manager at the conclusion of the referral period.

BEPS OSHC Service will determine a fee schedule for referrals which includes contingencies for extra ordinary arrangements such as payment for special transport, clothing and food, and additional educator support. The referral agency will be invoiced for the agreed cost of providing care determined during the case manager’s visit to BEPS OSHC Service.

BEPS OSHC Service will ensure the strictest confidentiality in relation to information about referred children at all times. Access to confidential information will only be given on a need to know basis. However, educators involved in the care of referred children will be provided with information that is considered to be essential to ensure the safety and protection of both the referred child(ren) and other children in care.

Orientation Procedures

BEPS OSHC Service will provide options for orientation which includes:

- An orientation morning or afternoon meeting for new families to meet one another and the educators in a relaxed atmosphere outside normal service hours. Typically this occurs at prep information days hosted by Brunswick East Primary School.
- Inviting new families to visit BEPS OSHC Service with their child at times that suit them, together with the OSHC Coordinator, to familiarize families with BEPS OSHC Service prior to the child’s attendance.
- Providing all new families with a conducted tour of the premises which will include introductions to other educators, children and families, and highlights specific policies and procedures that families need to know about BEPS OSHC Service.
- Ensuring each family has a copy of the **Family Handbook** (provided on enrolment) and an opportunity to have any questions answered.
- Giving family members the opportunity to stay a while in the morning, or arrive early in the afternoon, to support their child during the settling in process.
- Ensuring all new families are encouraged to share information about their child and any concerns, doubts or anxieties they may have in regard to enrolling their child in the OSHC Service.

When children first attend BEPS OSHC Service the needs of both families and children will be respected. Parents/guardians will be encouraged to remain with their child when delivering or collecting them for as long a period as the parent/guardian and/or educators feel may be necessary to ensure the child's wellbeing. Educators will make a special point of discussing the child's experience with the family member when they come to collect the child.

----------	----------------	--------------	----------------

Families will be assisted to develop a routine for saying goodbye to their child, if necessary.

Children who are distressed at separating from their family in the morning will be closely observed and offered reassurance until they are settled.

BEPS OSHC Service will ensure that every important aspect of the services operations and procedures is discussed with the new family.
