Children's Reflection- Term 4

Last week, we conducted some child surveys in the afternoons. Some children volunteered to go around during aftercare to ask all the children in the service what their favourite activity at OSHC this year was. The most common answers are listed below.

We will take these into consideration going into next year to ensure that we continue to run these activities on a regular basis! It's important to us that we gather student voice from the children who attend OSHC as we want to make the space as enjoyable and tailored to them as possible. If your children have any suggestions or OSHC favourites from this year, please let us know :)

We would love to get all children's feedback, although this can be hard to do in our OSHC setting through child surveys. Thus, we have created a child-friendly version to our feedback survey for children to complete with their families.

If you scan the QR code (see left), you can access the survey and can help your child to fill it out. It asks questions in regard to favourite activities, enjoyment of OSHC, if they felt safe, if there was anything they didn't like, etc. The survey is anonymous.

Please let us know if you have any questions!

Glimmers into BEPS OSHC

What the children of BEPS OSHC have been doing in Week 9...

The weather was very unfortunate this week- lots of rain and drizzle, but that didn't stop our activities! We did lots of craft and sewing activities in the OSHC room, games in the hall, and sneaking in outside activities whenever we could! It's the last week of November this week so next week, we will officially start on the Christmas theme!

Upcoming Beforecare & Aftercare Activities
