Feedback from students of OSHC

We asked the children of OSHC... “What has been your favourite activity that you did at OSHC this term?”. We always love hearing their favourite activities, as it means we can make sure to include these in future planning, especially as term 2 is fast approaching! These were some of their responses!

We asked the children of OSHC... “Are there any changes that you think we should make st OSHC?” We highly value feedback from the children and we will try to address these if possible. Unfortunately, we won’t be able to bring in Taylor Swift, but we can always make adjustments about environments, frequency or range of activities, resource orders, etc. These were some of the children’s responses!

Glimmers into BEPS OSHC

What the children of BEPS OSHC have been doing in Week 8...

We did all of our emergency evacuation drills this week; see picture on the bottom left (fire drill on Tuesday afternoon). All the children did a fantastic job, all following instructions from staff quickly and quietly- perfect practice for an actual emergency! This week we did some science experiments, just dance in the tinker lab, nature play, and all our Harmony Week, Neurodiversity Celebration and Closing the Gap activities!
