Glimmers into BEPS OSHC

What the children of BEPS OSHC have been doing in Week 5...

We are starting to do some more sustainability and environmental activities, such as gardening and planting- we will continue to extend these activities. We also did nail polish as an activity for the first time this week which was very exciting, and we'll be offering this in future in case you missed out! Lots of outside play on the colourfuls and the oval too!
