Feedback from students of OSHC

We asked the children of OSHC... "What are some activities that you'd like to do in Term 2?". We will use these as child-requested activity suggestions moving into the next term- we always want to make sure we are offering activities that the children genuinely want to do and enjoy! These were some of their suggestions...

We asked the children of OSHC... "What made you happy at OSHC this term?". Many of these answers were similar to their favourite activities (ie. one of the surveys from last week), however we were able to capture some responses about the environment and relationships within OSHC which is beautiful to see! Here were some of their responses...

Glimmers into BEPS OSHC

What the children of BEPS OSHC have been doing in Week 9...

We have had a fantastic last week of term, full of so many fun activities! Our end-of-term party day was on Tuesday and consisted of an extra yummy afternoon tea spread, as well as special activities, such as face paint, nail polish, movies, music and gymnastics on the oval, and more! This week we have also done some easter-inspired activities, such as decorating easter themed cookies, making easter crafts, and even an easter egg hunt on the last day!
