# Extra Information for Families

## We would love your feedback!

As a child-centered service, we highly value feedback and suggestions from families on how we can improve and support children and their families. We regularly receive feedback from children; we get a lot of verbal feedback in regards to activities or resources, and through interactions with staff. We also conduct regular surveys with children whilst at OSHC- we find that children love to take the surveys around to ask other children,

We would love some feedback from families too! We know parents, carers and families are super busy, so we created a quick 3-5 min survey (we promise it's super quick!). We would really appreciate it!

It's super easy- if you open your camera app on your phone, and hold it over this QR code, it will automatically detect it and bring up a link, which is the survey! We have also attached a physical link below.

## Upcoming Dates

We always like to include some special dates into our program planning! We decided some include some more fun, sillier ones this week!

On Monday, it is International Dance Day! In inspiration, we are running two different activities; one being Just Dance (to get the children active and dancing together) and the second being a Talent Show. This activity was requested by some children in an end of term survey last term. We also thought this would be a great opportunity for children to choreograph their own dances!

On Thursday, it is International Harry Potter Day! In previous dress up days, we've noticed lots of Harry Potter costumes and we know lots of children in the service have a love for the magical world of Harry Potter. We are running two activities inspired by this day as well! The first being a showing of a PG-rated Harry Potter movie (this will only be for the 4,5,6s) and the second will be Harry Potter-inspired craft activities. We are hoping to make some Hogwarts inspired crafts, or for children to make their own wand, or to take their own creative initiative!

# Glimmers in BEPS OSHC

## What the children of BEPS OSHC have been doing in Week 1...

The week started off with beautiful autumn sunny days so lots of outside activity making nature bracelets and sand castles at BUSH OSHC; 4-square, chasey, hockey and AFL; gymnastics and paperbag kites; Earth Day making 'Thanking Earth' Posters; and our very first Rubic Cube club (thanks to Zac who brought his personal collection in)
