## News from BEPS OSHC

- The next OSHC invoice will be emailed out to families on:
  - Monday 21st October 2024
- Assessment and Rating occurring next week
  - A person from the Education Department (Children's Quality Assessment & Rating Division) will come out to assess our program. This is occurring next Tuesday, on the 22nd October, so you may see them around and observing the service on Tuesday afternoon! This happens every 3-4 years to ensure that we are running a quality program from children, young people and families. All the staff have been working incredibly hard to prepare for this, to show all the amazing work we do!
- Upcoming Children's Week (21st to 27th October)
  - We conducted surveys with the children to ask them what kind of activities they would like us to run. Considering it's Children's Week, we wanted to make sure we offered some extra fun activities for the children!
  - The theme for this year is "Children have the right to a clean and safe environment".
